

Camp Guidelines

Concordia's Department of Recreation and Athletics is excited to include the Concordia community as well as the surrounding neighbourhood in its sports and recreation programming. We believe that participation in sports and recreational activities is vital to the development of physical, social and emotional health and teaches children the importance of teamwork and cooperation, while helping them learn new skills and improve their abilities.

Our camps are staffed by university students and Concordia University student-athletes with prior experience as coaches or camp counsellors.

Upon departure, parents or guardians will be required to sign their child out for the day. Only those who are authorized to pick up your child will be allowed to sign a child out. Those who are authorized to pick up your child will be asked to present a valid photo ID when signing your child out. Only the authorized parents or legal guardians will be allowed to add someone to the list of authorized people. Any such additions must be arranged with the camp administration in advance. Parents who arrive early will be asked to wait for their child in the athletic complex lobby. Please inform the camp coordinator if your child(ren) is allowed to leave camp on their own at the end of the day.

Absences & Late Policy:

If your child is going to be late or absent from camp for the day, you are required to call the office before 9 a.m. Please leave a message with your name and your child's name as well as the days they will be absent.

Attendance will be taken at the beginning of the day and the counsellors will report any absences so that the camp can confirm a child's absence or determine where the child is. If there is no phone message, you will be contacted regarding your child's absence. This will help us ensure the safety of your child.

Sickness Policy:

If your child is sick during camp, you will be contacted and asked to come and pick them up. If you are not available, we will call the emergency contact. If your child is sick, please refrain from sending them to camp.

Medical:

If your child has any medical conditions (asthma, allergies etc.) or any changes to a medical condition, we need to be notified at the beginning of camp. Children must always have their medication with them. For safety reasons, they will not be allowed to attend camp without their medication. Your child must be able to administer their own medication without assistance. All medication must be accompanied by clear instructions on when it needs to be taken and how it is to be administered.

Should there be an emergency involving your child, you will be contacted as soon as possible following the notification of any necessary emergency personnel.

Severe weather, heat, sun and rain:

In order for children to enjoy each day, they should arrive with appropriate items. This can include: rain gear, a sweater or hoodie for cool weather, sunscreen, etc. All items should be labelled with your child's name.

Staff will monitor the children in their group and remind children to reapply sunscreen throughout the day.

During severe weather conditions, programs will be modified to ensure camper safety.

In-class activities will be provided in order to accommodate programming changes.

Depending on the age of participants, activities may continue outside during light rain.

Staff will encourage the frequent drinking of water throughout the day.

Daily activities at camp:

The program schedule will be posted on the athletic complex bulletin board on the Monday of every week. The board will be located beside the summer camp office.

The daily activity plan is designed to stimulate the development of the children by engaging them in age-appropriate activities.

Camps provide enriching experiences through crafts, outdoor play, themes and special events.

Children should bring the following items

Backpack (labelled with their name):

A small, waterproof and durable backpack should be provided for your child. We ask that you not substitute a plastic lunchbox. A backpack frees your child's hands and is therefore safer. Lastly, ensure the backpack is an appropriate size for your child and that their name is written on the inside of the backpack.

Lunch and snacks (lunch box labelled with their name):

- We ask you to send your child with lunch and healthy snacks for the day. The camp is nut-free. Please refrain from sending your child with lunches and snacks that may contain nuts. Campers are not allowed to share food.
- Lunch and snacks (for morning and afternoon)
 - Morning snack 10:15-10:30 a.m.
 - Lunch 12-1 p.m.
 - Afternoon snack 3-3:15 p.m.

NOTE:

Campers will not have access to microwave ovens.

Clothing:

- All campers will receive one complimentary t-shirt
- Campers registered in multiple weeks will receive one t-shirt per sport registration
- All campers are expected to wear camp t-shirts each day of the camp
- Additional t-shirts can be purchased during the week of camp at a cost of \$10 (credit card and debit only)

It is important for your child to come with the appropriate clothing for the sports in which they will be participating. Children should be dressed in athletic clothing and bring their running shoes as well as the shoes for the appropriate sport. For safety reasons, any child not in the appropriate clothing will not be able to participate in camp activities. Please make sure that all your child's clothing is clearly identified.

We ask that children come to camp with sunscreen already applied, and that they bring extra sunscreen to camp. Your child will be outside for a good portion of the day and it is important that they be protected from the sun. Children should also come to camp with a water bottle as they will be active and will need to stay hydrated.

Footwear and Equipment:

- We suggest that participants bring the following items:
 - Soccer or football shoes (cleats or turf shoes)
 - Shin pads (soccer)
 - Footwear (running shoes, flip flops)

Personal Items:

Children should not bring electronic devices or anything of value to camp. The camp will not be responsible for any lost, broken or stolen items.

Any items that are brought to camp must have the camper's name clearly indicated on them.

Field trips and Outings:

During summer camp, no field trips are planned. Campers will participate in activities organized at the athletic complex (Concordia University Loyola Campus), but some outings will be organized to local parks and playgrounds in the proximity of the campus.

Special Days:

Theme Day: every Friday, campers will participate in regular activities during the morning. In the afternoon, there will be special activities to celebrate the end of camp.

Emergencies:

In case of an emergency, our camp coordinator or another staff member will contact parents or legal guardians as identified on the registration form. It is important to complete and update your medical forms – including emergency contacts – prior to the first day of camp.

Behaviour:

Campers are expected to behave in a way that makes the whole group feel comfortable and safe. Bullying of any sort will not be tolerated. Camps will function on a three-strike policy. The first strike will involve the leaders talking to the child and also informing the parent/guardian about the incident. Children who get a second strike will meet with the camp coordinator, who will discuss the matter with you. A third strike will result in dismissal. Strikes will be given at the leader's and the camp coordinator's discretion.

- All groups must meet and stay together as a group each morning.
- Basic behavioural expectations are explained to all the participants. Campers must respect these guidelines at all times.
- All members of the group must listen to the group leader's instructions.
- All members of the group are expected to treat their peers with respect and allow them to enjoy themselves.
- Physical contact of any kind is not allowed, and will be reported to a senior member of the staff.
- Any form of verbal abuse is not allowed and will be reported to a senior member of the staff.
- There is a zero tolerance policy for drugs, smoking, or alcohol at camp.

Parental Conduct:

Our leaders seek to provide an excellent experience for your child during their time at camp. If you have an issue that needs to be addressed, we invite you to discuss this with the leaders in a manner that is appropriate and respectful. If you would rather discuss an issue with a coordinator, please feel free to do so. Our aim is to exceed your expectations with the programs that we offer. If you have any concerns, please feel free to contact the summer camp coordinator.
